

Surf Life Legacy

MAKE A LASTING IMPACT WITH A GIFT IN YOUR WILL

ENSURING SAFETY IN COASTAL WATERS AND COMMUNITIES

The Keepers

Written by Kate Cantrell

From first light, then sky,
to the black void and beyond,
they watch over us.

With soft hearts and joint will,
inflatable muscles and nerves of steel,
their armour is solid bronze,
and their weapon of choice is oxygen.
The vital spark of life.

At dawn they draw a line in the sand
and stay at their post to the end,
regardless of consequence.

Like old friends,
they know us better than we know ourselves.

When we slip and trip on our pride,
they offer a hand,
they reach for us.

When we forget our limits,
they remind us.

When we blunder in blind panic
and the swell and tide conspire against us,
they find us and carry us home.

Like prophets, they see the signs before we do.

But their vision isn't 20/20.

Their vision is zero.

Zero lives lost on their constant watch.

We don't see our invisible protectors
but they see us.

Because saving our lives
is their mission.

SECURING OUR LIFESAVING MISSION

YOUR IMPACTFUL DONATION SAFEGUARDS OUR VOLUNTEER SURF LIFESAVERS

With 316 Surf Life Saving clubs scattered along our extensive 59,000 kms of coastline, ordinary people volunteering to do extraordinary things form the backbone of Surf Life Saving Australia. These selfless individuals, ranging from butchers to doctors, hairdressers to mechanics, office workers to builders, dedicate their own time to patrol our coastlines and swiftly respond to distress. They willingly risk their lives to rescue those in danger.

For over 115 years, these courageous volunteers have upheld the lifesaving tradition of Surf Life Saving. They inspire the next generation of dedicated volunteer surf lifesavers who will fearlessly venture into harm's way to save lives in the open water.

As a charitable organisation, our lifesaving operations depend on the generosity of voluntary contributions. Your gift in a Will has the power to provide essential resources, equipment, and training, enabling our volunteer surf lifesavers to carry out their duties safely. Your benevolence ensures they remain steady on deployment, warm in freezing temperatures, and composed during a crisis. Thank you for contemplating the creation of a lifesaving legacy.

For years, Australians have left gifts in their Wills to help our volunteer surf lifesavers save lives. Leave a gift in your Will today, so they can watch over all of us tomorrow.

EMPOWERING CHANGE THROUGH A GIFT IN YOUR WILL

A gift in your Will holds the power to ignite a transformative impact within Surf Life Saving Australia, touching lives and safeguarding our coastal communities for years to come.

Observe the far-reaching effects as you witness the nerves of steel of volunteer surf lifesavers manoeuvring through crashing waves, driven by the determination to reach those in distress. It is through gifts in Wills that Surf Life Saving Australia can provide the essential resources our courageous lifesaving patrols rely on – from protective gear like safety helmets and life jackets, to the cutting-edge equipment that enhances their lifesaving capabilities. These gifts enable them to respond swiftly and effectively, bringing hope to individuals in their darkest moments.

These legacies ensure our vigilant volunteer surf lifesavers are equipped with essential watercraft like rescue boards and Inflatable Rescue Boats. Supported by gifts in Wills, they stand ready to brave the elements and navigate treacherous waters to rescue swimmers in danger, exemplifying the unwavering commitment to coastal safety.

Through our training courses, gifts in Wills empower us to recreate challenging scenarios, enabling our volunteers to undergo rigorous training in realistic, adverse conditions. This comprehensive preparation equips them with the skills and resilience needed to face the unpredictable and protect lives.

By leaving a gift in your Will, you become an integral part of our mission, giving our surf lifesaving patrols the confidence to confront the dangers of the ocean, and providing their families with the reassurance that they are supported and protected. Your generosity ensures that our selfless volunteer surf lifesavers can continue their lifesaving work, striving to save every life at risk.

Consider the legacy you can create through a gift in your Will. Together, we can empower change, safeguard our coastal communities and preserve the noble tradition of Surf Life Saving.

“Anyone who is considering leaving a donation to surf lifesavers in their Will, should be strongly encouraged; with the realisation that the gift they make will make a huge difference to people’s lives. They can save lives. They leave a wonderful legacy, and as such will never be forgotten.”

- DAUGHTER OF DEREK MEYERS, 5 JUNE 1925 – 16 JULY 2014.

Making a lasting impact with Surf Life Saving Australia is easier than you think. By including us in your Will, you have the power to create a legacy that will help protect lives and ensure the safety of our coastal communities for generations to come.

EVERY GIFT MATTERS, NO MATTER THE SIZE

Whether your contribution is big or small, it will have a profound impact on our volunteer surf lifesavers who selflessly dedicate themselves to saving lives in our waters. Your gift will provide them with the resources and support they need to carry out their life-saving work.

THINK OF LOVED ONES FIRST

Look after your family and loved ones first and then consider Surf Life Saving Australia. Family and friends must always come first, but many of our supporters like to choose to leave a gift in their Will to Surf Life Saving Australia after they have looked after their loved ones.

KEEP YOUR WILL UP-TO-DATE FOR PEACE OF MIND

Updating your Will regularly is essential to ensure your wishes are accurately reflected. We recommend seeking professional advice or working with our trusted partners to ensure your intentions are legally sound and aligned with your passion for supporting Surf Life Saving.

NAMING SURF LIFE SAVING AUSTRALIA IN YOUR WILL

To ensure your gift is carried out exactly as you intend, it is important that Surf Life Saving Australia is named correctly in your Will.

“Surf Life Saving” is a widely used description, but it is not a legal entity. If this wording is used, a bequest may be difficult to administer and, in some cases, may be legally challenged.

We strongly recommend that your Will includes our full legal name and ABN: Surf Life Saving Australia Ltd (ABN 67 449 738 159) and we encourage you to share this information with your solicitor or Will-writer when preparing or updating your Will.

FLEXIBLE OPTIONS FOR YOUR GIFT

You have the flexibility to choose how you want to make a difference. A residuary gift allows you to allocate a portion or the entirety of your estate's remaining assets after other bequests and expenses have been settled. A pecuniary gift 'specific legacy' involves a specified amount of money, and you can even request it to be adjusted for inflation. If you have specific items or property you wish to donate, a specific gift can ensure they support our cause.

By remembering Surf Life Saving Australia in your Will, you leave a remarkable legacy that will protect lives, support and strengthen our dedicated volunteers, strengthen our coastal communities, and uphold the wonderful traditions of Surf Life Saving and volunteerism. Thank you for considering this meaningful gesture and for your unwavering commitment to our vision of zero preventable deaths in coastal waters.

THE **'WORDING'** FOR YOUR WILL

HOW DO I GIFT A NOMINATED PERCENTAGE OF MY ESTATE?

A gift of a fixed percentage of your estate (often known as a 'proportional legacy') allows you to nominate a specific percentage of your estate to Surf Life Saving Australia. A legacy of this kind does not depend on your estate being of any set value or size and it is flexible enough to allow for changes in the composition of your assets or financial situation. No matter how your estate changes, whether it grows or decreases in value, your decision as to the proportions will always remain the same.

The correct wording for such a gift is:

"I [Your Name] give and bequeath to Surf Life Saving Australia Ltd, ABN 67 449 738 159, free of all duties, ___% of my estate and I direct that the receipt by the Proper Officer of Surf Life Saving Australia shall be sufficient discharge to my Executor for the Bequest which is to be applied to the general purposes of Surf Life Saving Australia."

A GIFT OF A NOMINATED PERCENTAGE OF THE REMAINDER OF YOUR ESTATE:

A gift of a remainder of your estate (often known as a 'residuary bequest') allows you to make specific gifts to family and friends and leave the whole or portion of what remains of your estate to Surf Life Saving Australia.

The correct wording for such a gift is:

"I [Your Name] devise and bequeath to Surf Life Saving Australia Ltd, ABN 67 449 738 159, free of all duties the residue of my Estate and I direct that the receipt by the Proper Officer of Surf Life Saving Australia shall be sufficient discharge to my Executor for the Bequest which is to be applied to the general purposes of Surf Life Saving Australia."

A GIFT FOR A SPECIFIC OUTCOME:

You may nominate a specific Surf Life Saving program to benefit from your gift, for example, rescue equipment. Gifts for specific rescue equipment are often difficult as the cost of the equipment is likely to change between nominating the gift and the gift being realised. Where there is a difference, Surf Life Saving will do its best to ensure the intent of the gift is still achieved.

The correct wording for such a gift is:

"I [Your Name] give and bequeath to Surf Life Saving Australia Ltd, ABN 67 449 738 159, the sum of \$_____ specifically for: (whichever is applicable) - Rescue equipment, and/or - Education programs for surf lifesavers, and/or - Community surf safety programs, and/or - Research and development and I direct that the receipt by the Proper Officer of Surf Life Saving Australia shall be sufficient discharge to my Executor for the Bequest which is to be applied to the specific purpose(s) of my bequest or for the general purposes of Surf Life Saving Australia."

A GIFT OF A SPECIFIC SUM OF MONEY OR SPECIFIC ASSETS:

A gift of a specific sum of money or specific assets in the form of property, shares or articles of value (known as a 'specific legacy') enables you to have the full use of your assets during your lifetime. An advantage of this form of bequest is that it gives you the comfort of being certain about exactly how your estate will be divided. This is a common legacy, however certain considerations must be taken into account. First, when you make your Will you have no way of knowing what the value of

your estate will be. Secondly, with inflation, the value of your gift may change. To maintain the value of your gift you should revise your will on a regular basis.

The correct wording for such a gift is:

"I [Your Name] give and bequeath to Surf Life Saving Australia Ltd, ABN 67 449 738 159, free of all duties, the following (whichever is applicable): - the sum of \$_____ - Property (details) - Or other assets (details) and I direct that the receipt by the Proper Officer of Surf Life Saving Australia shall be sufficient discharge to my Executor for the Bequest which is to be applied to the general purposes of Surf Life Saving Australia."

GIVING A GIFT TO A SPECIFIC SURF LIFE SAVING CLUB:

You may wish to benefit a specific Surf Life Saving Club from your estate. In such cases, all your gift will benefit the nominated club, and Surf Life Saving Australia acts to ensure your gift has the maximum long-term benefit through its national buying power and investment options.

The correct wording for such a gift is:

"I wish to give the sum of \$_____ to Surf Life Saving Australia Ltd, ABN 67 449 738 159, specifically for _____ Surf Life Saving Club, and I direct that the receipt by the Proper Officer of Surf Life Saving Australia shall be sufficient discharge to my Executor for the Bequest which is to be applied to the specific purpose(s) of my bequest or for the general purposes of Surf Life Saving Australia."
